Dear Consultee

Consultation: Local Plan Review (Issues and Options)

Coventry City Council is currently consulting on a review of its Local Plan.

This is a supplementary letter, to be included in the consultation hard-copy packs and to accompany the online PDF version to advise you of a minor correction. This relates to Policy H2 on Page 24, Table 7 Status of Housing Allocations.

Site Reference H2:06 (Land at Browns Lane) is recorded as 'no application' whereas it should say 'pending outline'.

Yours sincerely,

Planning Policy Team
Coventry City Council
